

# WATT- A-PUZZLE:

## EVENT DESCRIPTION:

Welcome to **WATT-A-PUZZLE**, a mind-bending game where **emojis hold secrets, puzzles unlock mysteries, and only the sharpest minds prevail!** Get ready to **decode, connect, and conquer** as you race against time to crack hidden technical terms. With every clue, the challenge gets tougher—will you rise to the occasion?

**"Think beyond words, break the code, and claim victory!"**

## GENERAL RULES:

- The competition is open to all participants, for any department students to participate.
- Teams must consist of **2–3 members**.
- The use of electronic devices is strictly prohibited.
- Players must arrive at least 10 minutes before the event begins.
- The decision of the judges is final.
- Any form of cheating, misconduct, or violation of rules will lead to immediate disqualification.

## ROUND -1: CIPHER STORM (TIME LIMIT:10-15 MINUTES)

- Tech Cipher Challenge tests logic, decryption, and quick thinking.
  - Decode hidden words and crack the codes to advance.
  - +5 points for correct answers, -1 point for wrong ones.
  - Hints add time penalties to the final score.
  - Tiebreaker puzzles & time taken decide close calls.
  - Highest-scoring team wins—but speed matters!
- 

## ROUND-2 : EMOCONNECT (TIME LIMIT - 15 MINUTES)

- Decode technical words hidden in emoji sequences using logic and discussion.
  - No devices allowed—only teamwork and reasoning!
  - Form the correct technical term by connecting emoji clues.
  - Teams solving the most words within the time limit advance.
  - Hints add extra seconds, so use them wisely!
  - Crack the code, connect the emojis, and prove your tech knowledge!
- 

## ROUND -3: CIPHER HEIST (TIME LIMIT 10-15 MINUTES)

- Cipher Heist is a high-stakes digital escape challenge.
- Solve riddles, decrypt files, and piece together clues to unlock the final code.
- Speed, logic, and precision are key to victory.
- Bonus points for flawless decryption, but wrong attempts add extra time.
- Only the sharpest minds will crack the heist!
